Kentucky Center for Ag and Rural Development (KCARD)

Cara Stewart, Grant Facilitator

[cstewart@kcard.info](mailto:cstewart@kcard.info)

A non-profit organization established to facilitate agricultural and rural business development in Kentucky. We provide educational opportunities, technical assistance, and business support services to new and existing agribusinesses.

Programs offered: Business planning, financial planning, feasibility studies, development of organizational charts, administrative and personnel policies, and job descriptions.

## **OAK - ORGANIC ASSOCIATION OF KENTUCKY**

Programs offered: Farming tools and templates, organic transition training, Mentorship program, Organic Production Consultations, Farmer Field Days, Community Events

[www.oak-ky.org](http://www.oak-ky.org)

## **HENRY COUNTY FARM BUREAU**

Lynnette Yount, President

1585 Campbellsburg Rd. New Castle, KY 40050

(502) 845-2800

Kentucky Farm Bureau has served as the "Voice of Kentucky Agriculture," representing the interests of agricultural producers and rural communities. Every county in the state has a Farm Bureau Chapter. Henry County Farm Bureau is active in the community, participating in and offering programs like grain bin rescue training, farmer mental health awareness, and family fun nights.

## **KENTUCKY HORTICULTURE COUNCIL**

The Kentucky Horticulture Council represents the horticulture industry within the state, including specialty crop growers and green industry business owners.

Programs offered: Ag water testing, multiple educational programs, and Ag Health Care Trust. Scan the QR code to learn more about the affordable healthcare plan.

## **THE BERRY CENTER FARM & FOREST INSTITUTE**

Shannon Boyd, Program Coordinator  
111 S. Main Street, New Castle, KY 40050  
shannonboyd@berrycenter.org

Programs offered: The Berry Center Farm & Forest Institute offers farmers an education in agrarian thought and practice. We provide affordable workshops, short courses, and field days that accommodate busy lives. Hands-on classes focus on: Livestock on grass production, Low-impact forestry, and Cooperative economics, thought, and rural leadership.

## **KENTUCKY DEPT OF AGRICULTURE/OFFICE OF THE STATE VETERINARIAN**
